

IDEALHOMES Portugal

in Loulé

If you are looking for total privacy, this villa might be an excellent option.

The property has been recently constructed on a very large plot of 18.000 m2.

The villa is 99% ready and therefore you will be able to give your personal touches to make it your perfect home.

The villa has a total of 5 bedrooms all en suite, large kitchen and a very large basement which can be converted into other rooms.

The living room is very spacious with lots of daylight. The property has it's own borehole.

Garden and pool will need to be finished.
