

IDEALHOMES > Portugal

in Lisboa

This apartment complex is under construction and will be finished before the end of this year. Created by one of the best developers in Portugal with an eye to detail and quality. This spacious 4 bedroom apartment have a ample living room with an open fully equipped kitchen and lovely terraces. The building is a prestigious building with an impressive entrance hall. On the roof there is a lovely roof pool. Location wise it's simply excellent, close to public transport which will take you anywhere in Lisbon or simply take your car. For shopping you couldn't be at a better location as you have Columbo shopping center very close by and other shopping facilities just around the corner. The airport is just a 10 minutes drive away.
