Successful small business opportunity with pool and snack bar

in Meia Praia, Lagos

Here is a fantastic chance to take on the running of your own small business overseas. There are a total of two small buildings around the large pool area, one of which is a licensed snack bar with accommodation upstairs, ideal for the new owners should you wish to live on-site. The second building is another separate accommodation, suitable to be rented out to tourists.

The pool has also been used by neighbouring apartments and properties, creating an additional income from the local area.

The main house comprises 2 large bedrooms, 1 shared bathroom, open plan living/dining room, kitchen, small study space, bar, staff room with bathroom and a public terrace with BBQ.

Set on the front-line facing Meia Praia beach, there are stunning views and sunsets to be enjoyed from the elevated terrace - perfect for guests to dine outside. The surrounding area and roads are very quiet, ideal for families with children to come along and relax under the sun!

Viewing recommended to see the full potential for yourself!
