Large family home with two bedroom apartment in Algoz, Silves

This traditional Portuguese villa is located in a private neighbourhood on the edge of Algoz. With very calm surroundings and all essential amenities just a short drive away, this is a perfect property for those looking to relocate to the Algarve permanently, as well as anyone searching for a family-size holiday home in the sun.

The property also has a separate two bedroom apartment, with its own kitchen and bathroom - perfect for extra visiting guests or even potentially to be rented on the short-term holiday rental market.

Split over 3 levels with a 250m² garage on the ground floor, the property has many traditional features which create a homely feel: the two fireplaces, tiled flooring and wooden cupboards throughout. This is nicely coupled with a more modern finish, such as the jacuzzi bath and air-conditioning in a number of rooms.

Within easy walking distance there is a selection of cafés, local mini-markets and restaurants. Larger amenities are a 10 minute drive away, such as the popular Algarve Shopping complex which has designer stores, cinema and food court.
