First Floor 2 bedroom Apartment

in Lagos, Lagos

This 2 bedroom first floor apartment will form part of a new luxury condominium in the heart of Lagos centre. Being built by a highly skilled and experienced developer, who has successfully completed a full portfolio of projects in the Lagos area. Completion for the whole project is due by March 2020, with a number of units already reserved.

As standard, the apartments will be finished to the highest specification, ensuring high energy efficiency and long-lasting quality. There will be underground parking, rooftop communal pool, air-conditioning, central vacuum, solar heated hot water and fully fitted hi-spec kitchens with contemporary finish throughout.

The apartments offer a fantastic location to those who love to be able to walk to nearby shopping districts, landmarks, and restaurants. Just a 5-minute stroll to the historic center of Lagos and the multi-award winning marina, then only 10 minutes to the nearest blue flag beaches.

A location such as this, combined with the high-quality construction makes the properties a perfect fit, whether you're looking for a permanent residence with easy access, a holiday home in the sun or plan to generate rental returns and capital gains.

Lagos is a town in the Western Algarve, hugely popular among people of all ages and attracting tourists from all corners of the world. It is well known for its iconic beaches and sandy coves of Dona Ana and Praia do Camilo. The cliff tops of Ponta da Piedade provide
