High Quality 2 Bedroom Apartment with Panoramic Views in Mexilhoeira, Portimão

These new build apartments have been designed and built to the highest specification, restoring an historic building to now comprise the most contemporary properties, whilst keeping its traditional exterior aesthetic where possible.

This first floor apartment is comprised of 2 large bedrooms, 2 bathrooms + 1WC and an open plan living/dining area. To the outside are two large west-facing terraces, with stunning panoramic views of the Rio Arade and the city backdrop of Portimão - a perfect spot to enjoy the most picturesque sunsets and spot passing boats.

The apartments will have access to the communal infinity pool and terrace areas, a prime spot to chill out and unwind away from main roads and urban areas.

Within walking distance of the condominium there are plenty of essential amenities, including minimarkets, cafés and restaurants. Just a 10 minute drive across the river into the centre of Portimao is where you'll find much large facilities including the Aqua open-air shopping complex, hospitals, municipal buildings and award-winning beaches. The nearest golf courses are just 20 minutes away, with so much going on nearby these properties are a perfect fit, whether you're looking for a new permanent residence, holiday pad in the sun or rental investment property.

Portimão is the largest city in the Western Algarve, it was traditionally a centre for sardine fishing and processing. However, today most of that industry has been replaced by tourism,
