

IDEALHOMES > Portugal

in Vilamoura, Loulé

This spectacular house comprises of 4 en-suite bedrooms, a large open plan living room and a fully equipped kitchen with high quality appliances from Miele. In the main room there is a beautiful fireplace area and a large projection screen for you to relax and enjoy 3D movies.

Outside is the pool area with a beautiful Zen space where you can relax alone or invite your friends to share the experience.

Imagine an indoor pool with Jacuzzi system and water projection to allow swimming and a sauna in the same area.

The villa is also equipped with Domotica which is an intelligent integrated system, the latest in home automation, allowing you to fully control the lighting, Air Conditioning and surveillance remotely.

Why wait to schedule your visit? The villa should be seen to be fully appreciated.
