New Build 2 Bedroom Apartment in Santa Maria Maior, Lisboa

Contemporary two bedroom apartment in a building that has had full renovations, with great finishes, a lift and several traditional elements that give an even greater charm to the property.

Found in a privileged location just next to the Lisbon Cathedral, Campo das Cebolas, riverside area of the city, along with Praça do Comércio and Chiado.

The apartment has two independent entrances, windows with double glazing, high ceilings with cone lining painted white and the flooring is pine. Comprised of an air-conditioned living room with a size of 28m², fully equipped kitchen, two bedrooms also with air conditioning, a bathroom, and a wardrobe in the hallway with storage from floor to ceiling.

A great opportunity to invest for rental purposes and generate that additional income you've been looking for.

Area: 65 m²
