in Santa maria maior, Lisboa

Studio bedroom apartment with 53 sq. m., in a new development in an exceptional location, right in Marquês de Pombal at the top of Avenida da Liberdade, the iconic 266 Liberdade Diário de Notícias. Built in 1940, the bold and modernist building – drawn by Pardal Monteiro and with frescoes by Almada Negreiros - was the first built from scratch for a member of the media. The rehabilitation project preserves its façade as well as many other decorative elements and materials of the time.
