in Cedofeita, santo ildefonso, sé, miragaia, são nicolau e vitória, Porto

Brand new Studio with 66 sq. mt., with a terrace with 5 sq. mt., part of a new development resulting from a remarkable rehabilitation project of two secular buildings, very well located in the historical area of Porto, next to Clérigos Tower. Having preserved the identities and architectural languages of the time, the rehabilitation project has given the interiors a contemporary atmosphere, with all the functionalities and comfort of modern life, with noble materials and unique details.
