Traditional 5 Bedroom Villa For Sale in East Algarve in Praia Verde, Castro Marim

A traditionally styled villa for sale in the Eastern Algarve, within the popular resort of Castro Marim. Nestled on a large 1338m² plot of land, this property is within walking distance to the Praia Verde beach - perfect for enjoying Algarvian summer days in style and there are also seven amazing golf courses nearby.

Spread across two floors, the ground floor is comprised of an open plan dining/living with a stunning fireplace acting as a centre piece to the room. A fully fitted kitchen is also on this floor and has been equipped with premium "Miele" branded appliances, there is also a laundry room and bedroom.

On the first floor you can find four bedrooms, three of which have their own en-suite bathroom and fitted wardrobes. Air-conditioning has been installed throughout the property which is an essential for the hotter summer months.

A basement includes a small wine cellar, a two garage and some additional storage space. There is a roof terrace providing a great space to relax day or night, surrounded by nature at its best privacy is also ensured for those who prefer to sunbathe in peace. Ocean views and country views can be savoured from this terrace also.

Castro Marim is a typically Portuguese town where much of the area is flat, ideal for bike rides or long walks. The town itself is very laid back and relaxed, making a family holiday pass by with no stress or hassle, it is also home to lovely restaurants and coffee shops which
