Inspired by the Algarve lifestyle, each spacious Miradouro villa is located within a uniquely designed village, providing residents with an intimate, relaxed way of life. Thoughtfully designed and luxuriously appointed, each three-bedroom villa is characterised by its surroundings, drawing inspiration from the timeless beauty and the elegance of traditional Portuguese architecture.

With breathtaking views overlooking the shores of the Atlantic Ocean and towards the lake and fairways, our villas provide all the charm, privacy and creature comforts of a private home; elegant spaces with clean lines and seamless finishes, where every element has been carefully considered so you can lead the life you want in a tranquil, exclusive and secure enclave within our resort community.

At the heart of each villa, comfortable open-plan living spaces and floor-to-ceiling windows make full use of the natural light, warmth and views. Elsewhere, each double bedroom comes with its own en-suite bathroom complete with underfloor heating; kitchens are fully fitted and equipped with the latest appliances; and each home has its own dedicated fibre-optic broadband service.
