T3 with storage in Carnide in Carnide, Lisboa

T3 located in Carnide, next to the Hospital da Luz, inserted in one of the buildings of EPUL Lisboa.

This building was the last phase of EPUL, in this area, where its construction was more cared for, namely the walls are double and with noblest materials.

The apartment is a high RC in a building with elevator and storage, 50% of the windows have already been replaced by boxes with thermal cut and double glazing, have two bathrooms being one of them complete.

Excellent road access, several public transport including the Metro of Carnide, pedestrian reach to Colombo shopping centre lasting 4 minutes and plenty of services in its surroundings.

Easily accessible parking area and there is an exclusive park for residents.

Great investment opportunity, this area has a lot of demand for the rental market.
