Large Plot of Land For Sale in Carvoeiro in Carvoeiro, Lagoa

A large plot of land for sale in Carvoeiro, situated just five minutes from Praia do Carvoeiro, this piece of land would make an ideal investment if you are wanting to build your own home in this part of Algarve either as a permanent residence, holiday home or rental investment.

It is also ideally situated close to everything this beautiful town has to offer including a wide selection of cafes, bars, restaurants and shops.

With a good space to build and design a home, it would be possible to construct either a one floor property or two floor property with electricity, sewage and mains water, and a survey has already taken place.

Unlike many other coastal resort towns in Southern Europe, Carvoeiro has been developed sensitively, with no high-rise construction and respect for local architectural heritage. Carvoeiro is a picturesque and traditional Portuguese resort town, which is situated along the stunning coastline of golden beaches and dramatic natural scenery.

The town offers a wide variety of activities for the whole family including hiking trails, exciting boat tours and water parks. The beautiful Praia de Carvoeiro beach is a must when visiting this area.
