One bedroom villa for sale in Lagos in Lagos (são sebastião e santa maria), Lagos

A charming one bedroom villa located in a prime spot within the historic centre of Lagos, Western Algarve. Currently undergoing complete refurbishment, this property would make the perfect investment for those looking to live or holiday within the heart of everything that Lagos has to offer. It would also provide good returns as a rental investment as this part of the Algarve is extremely popular with holiday makers.

Once completed, this property will have a modern interior with a fully equipped open plan kitchen, living and dining space. Other benefits will include underfloor heating, air conditioning and a terrace with a shower with hot and cold water. This area will also be prepared ready for those who wish to install a Jacuzzi.

Located just 10 minutes walk and close to the beautiful marina, everything that Lagos has to offer is close at hand making it the ideal property from which to take full advantage of this lovely area.

Lagos is a town in the Western Algarve, hugely popular among people of all ages and attracting tourists from all corners of the world. It is well known for its iconic beaches and sandy coves of Dona Ana and Praia do Camilo. The cliff tops of Ponta da Piedade provide a stunning view to the sea and surrounding natural beauty. The centre of town is home to many historic landmarks, including the 18th century church of St. Antonio, castle walls and the Castelo dos Governadores, one of the town's oldest features.
