in São Lourenço, Loulé

The Quinta de São Lourenço is located on "Sítio do Esteval", in the vicinity of Almancil cradle of the famous tourist resorts of Vale do Lobo and Quinta do Lago. The typical Algarvian villa is located on a plot of land of about 3.000sqm, and has a building area of approximately 215sqm, extended over three floors. The ground floor consists of a common room with fireplace, kitchen with dining area, guest bathroom, office and a bedroom with a private bathroom. On the south side of this floor, an extensive semi-covered terrace with barbecue accompanies the whole elevation and gives access to the pool measuring about 11 x 6m, garden, and backyard. The upper floor consists of four bedrooms with private bathrooms and a library. The basement comprises a living room with a snooker table, service bathroom, utility room and a bedroom with a private bathroom. The tall treetops surrounding the villa ensure privacy and tranquility.
